Dear Sir or Madam,

I am writing this letter of recommendation on behalf of Mr. Joseph Iorio who during the 2020-2021 school year, served as a long-term, daily substitute teacher, here at the Forked River Elementary School. He covered a broad range of teaching positions including kindergarten through fourth grade general education classes, self-contained and behavioral disability classes, as well as special subject area classes. Mr. Iorio also completed his Student Teaching Internship in both elementary education and special education with us during the 2019-2020 school year.

Over the last two academic school years, Mr. Iorio has demonstrated excellence in all areas. He provided students with a well-structured, rigorous, and caring learning environment. Mr. Iorio developed high-quality lessons that were creative, developmentally appropriate, and aligned with the current standards and district curriculum. His interpersonal skills with students, parents, and our staff has provided a lasting impression of Mr. Iorio as a dedicated and caring professional educator.

It is without hesitation that I recommend Mr. Iorio for employment within his areas of certification. He has a bright future! If I may be of further assistance, please contact me at 609-971-2080. I would be happy to discuss Mr. Iorio's qualifications.

Sincerely,

Eric Fiedler
