To Whom It May Concern:

It is my pleasure to recommend Joseph Iorio for a teaching position in your school district.

I have had the pleasure of working with him as his mentor during the time period of February 2022 through June 2022. During this time, he has proven himself to be flexible in and adaptable to a wide range of teaching challenges. Joseph was placed as an in-class support teacher in both Spanish and history classes which required him to be versatile and to provide spontaneous modifications as needed. As a result of his employment at Jackson Memorial High School this year, Joseph now has experience at both the elementary and secondary levels making him a commendable candidate on several levels.

Joseph has impressed me with his enthusiasm for education and with his willingness to improvise on a daily basis. He has met everyday with a smile, positive attitude, and with a commitment to growing as an educator.

It is without reservation that I recommend Joseph Iorio to you, and I am confident that he will be an asset to your school district. If I may be of additional assistance, please do not hesitate to contact me.

Sincerely,

Kathleen McCarthy
