Dear Administrator:

It is my pleasure to recommend Mr. Joseph Iorio as a teacher of Special Education at your school. It has been my pleasure to work with Joe during this school year in his capacity as a Special Education Teacher at Jackson Memorial High School. I was able to observe Joe in the classroom and was impressed with his ability to differentiate lessons, apply IEP accommodations and show strong instructional practices in the classroom. He is a passionate educator that is committed to helping students succeed.

Mr. Iorio is a hard working, dedicated individual who has established an outstanding rapport with the students, faculty and staff at the Jackson Memorial High School. His flexibility, professionalism and practical approach to educating made his time at Jackson Memorial High School a success. Due to budget constraints we were unable to offer a contract for the upcoming 2022-2023 school year.

I strongly recommend Mr. Iorio to your program, he will undoubtedly exhibit the same strong dedicated professional qualities in your school that I have observed. Please feel free to contact me should more information be required.

Sincerely,

Kevin DiEugenio
