To Whom It May Concern,

June 2021

I am pleased to write this letter of recommendation on behalf of Mr. Joseph Iorio. Mr. Iorio worked collaboratively with me during the school year while I taught remotely from home. Throughout the entire time, he consistently demonstrated professionalism while working with both the students and myself.

During Mr. Iorio's time as a collaborative teacher, he taught second and third grade students in both Math and ELA. The students consisted of Basic Skills as well as Special Education children receiving In-Class Support and In-Class Resource instruction. We shared the tasks of instructing the students, assisting those students needing extra support, checking assignments, and scoring assessments.

It is without reservation that I recommend Mr. Iorio for a teaching position within his area of certification. If I can be of any further assistance, please do not hesitate to contact me at 609-971-2080 or [klarice@laceyschools.org](mailto:klarice@laceyschools.org).

Sincerely,

Krista Larice
