To Whom It May Concern:

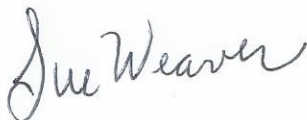

In Spring of 2020, Joseph Iorio completed his student teaching in my Third Grade classroom. In addition, he was a long-term replacement for a Special Education Resource teacher during the 2020-2021 school year. I am pleased to write this letter of recommendation.

Mr. Iorio serviced In-Class Support students as well as Basic Skills students for ELA in my Third Grade classroom. Mr. Iorio utilized RazKids online books to assign leveled books to his students. He was successful in administering ReadyGen Reading assessments and the Developmental Reading Assessment (DRA). Mr. Iorio's small group lessons were engaging and motivated all students. Mr. Iorio also serviced In-Class Support students and In-Class Resource students during Math. He modified the EnVisions Math curriculum to accommodate each learner. Mr. Iorio used manipulatives and hands-on centers to enhance his lessons. He used differentiated instruction to implement the required material and made it interesting to every learner. His patience and dedication were evident in his detailed lessons.

Mr. Iorio put many hours into planning for his diverse students within the classroom. He was extremely organized and well-prepared. He successfully reached struggling students. Mr. Iorio was respected by the staff, students, and class parents.

I highly recommend Joseph Iorio for employment. I know he would be an asset to your school district in many ways. Please feel free to contact me at (609)971-2080 if you have any questions or need further information about Mr. Iorio's qualifications.

Sincerely,

Susan Weaver
